

IH9020 - 3 IN 1 UNIVERSAL REMOTE

Qualities

© IH9020 - 08974

KEY Features:

- * Replaces 3 remotes.
- * Includes separate SAT button
- * Comprehensive library includes codes for most TV's, VCR's and SAT's
- * Easy to setup - just look up the code for the TV, VCR, SAT and enter it into the remote using a simple key sequence.
- * Auto search for your TV's, VCR's and SAT's code.

Applications

One single remote to control 3 appliances: TV, VCR and SAT.

Universal IR remote controllers contain a library of codes to match most of the TV and video components currently available on the market.

TV-Functions:

- * Programme +/- and specific keyboard for channels
- * Complete display setting: brightness, contrast, colour, volume, tone, balance, ...
- * teletext options easily accessible thanks to colour coded keys similar to TV's screen
- * full menu functions of Philips RC5, Thomson and Sony
- * clear and easy to use
- * modern styling
